

FAMILY MOTOR COACH ASSOCIATION

FMCA members,

We wish to welcome you to Family Motor Coach Association (FMCA) and our International Family.

There are 10 areas in FMCA, nine that are geographical and the non-geographical International Area Organization of FMCA (INTO), which covers the United States and Canada. Our annual Area Rallies move around the country, allowing us to enjoy many different places and events. Places like Branson, Missouri; Myrtle Beach, South Carolina; Calgary Stampede and Las Vegas are just some of the places we have been or will go in the future.

The chapters in the INTO Area cover a wide array of interests. For example, Singles, 4-Wheelers, Roadtrek, Entegra Coach, Diesel RV Club, Elk International, Full Timers, On the Road Stickers, RVQue, RVegans, Travelin Nomads and Military Veterans, just to name a few. You will find a list of chapters with descriptions and contact information at www.fmca.com, under Chapter tab, Find a Chapter, and search by Area - International. As you can tell by the names, some Chapters are specific to a type of RV while others lean toward specific interests and travel. Whatever gets you excited; I am sure you will find great Chapters to join in the International Area.

FMCA membership does not require you to join a chapter, however participation provides a vote in the governance of FMCA and you will develop life-time friends at their many rallies and events. If you have any questions don't hesitate to contact me at 209-815-1837 or pmitchell@fmca.com

FMCA's Event Calendar, published in each issue of the *Family Rving* magazine and online at FMCA.com, lists rallies that you might be interested in as you travel the country. You are welcome to attend any rallies, and there is no obligation to join the sponsoring chapter. Always contact the rally host to ensure that there is space available.

Again, welcome to the FMCA family and the International Area. We are looking forward to seeing you at one of our rallies in the future.

Sincerely,

Paul & Lisa Mitchell, F165576
