

Family Motor Coach Association

Southeast Area National Vice President

WELCOME TO FMCA AND THE SOUTHEAST AREA

We are pleased to welcome you as a new member of FMCA residing in the Southeast Area, and know you will find this membership to be beneficial in the enjoyment and use of you RV. In addition to receiving Family RVing, our informative magazine, FMCA offers you many benefits both as an individual and through membership in a chapter. Some are special interest chapters, some represent their type of RV, and most just like to get together for a good time participating in special activities. There is a chapter to fit every person's interest, and yes you can belong to more than one chapter.

By joining FMCA, you became a part owner in the Association. Chapter membership provides you a voice in the governance of the association. We, therefore, strongly encourage all members to seek a chapter affiliation. Chapters are the backbone of our association. You will find it a pleasure making new friends, having common interests while enjoying the RV life style traveling in you RV.

You can search for a chapter online using our chapter search tool. Two web sites are available to you, FMCA.com and SEAFMCA.org. Each lists chapter contact and scope. Many chapters list their upcoming rallies which are open to all RVers. Just give them a call, they will gladly invite you to attend a rally. There is no obligation to join on your first visit.

You are also encouraged to participate in our Southeast Area rallies and International FMCA Conventions. The International Conventions are normally held, one in the winter and one in the summer.

My wife, Carolyn, and I personally welcome you to our "RV Family". If we can be of any assistance to you do not hesitate to contact me.

Sincerely,

Bill Dees
