**KLEWIS@FMCA.COM**

I am a retired U.S. Marine and Vietnam veteran, retiring as a Master Gunnery Sergeant (E9) in 1989. Upon retirement, I continued working with the Department of the Navy, Naval Surface Warfare Center, Crane, Indiana, for the next twenty-two years. I served as a Project Test Officer testing weapons, ammunition, and various science and technology initiatives for the Department of Defense throughout the world.

My wife, Linda, and I have been married for 48 years. We have three daughters, seven grandchildren, and two great-granddaughters. Our daughters and families live in Jupiter, Florida; Hahira, Georgia; and Belfair, Washington. Linda and I retired in 2011 and started living the RV lifestyle. In 2015, we sold our “sticks and bricks” and have been living full-time in our recreational vehicle and loving it.
