POLICY

To present National Officers and Past National Officers with attachment plates.

PROCEDURE

1. When a new officer takes their position, they will receive a set of attachment plates. The officer going out of office (Past National Officer) will also be given a set of attachment plates for his RV with the wording Past National and their respective title.
2. These plates will ONLY be made in the "Crescent Over ID" style. They will not have any other information added to them.
3. Any present or past officers that have lost their plates should get in touch with the National Office and will be sent a form to order their plates.
4. After the manufacturer receives the form or request, they should contact the National Office and verify the information prior to processing these orders.
