

Family MotorCoach Association

FMCA is excited to be able to give our members even more choices when it comes to equipping their motorhome with tires. Below is a step-by-step how-to on purchasing tires through the Continental Choice Program:

Program Period: February 16, 2020 to February 15, 2021

Continental develops intelligent technologies for transporting people and their goods. They offer the right tire for every application and type of terrain. Whether you need to take the highway, regional roads, city traffic or even venture off road, our premium tires for trucks, buses, and RVs are engineered to suit your specific application needs. Buy tires at program price at any participating Continental Dealer across the United States.

Get the specifications for the tires you need to have replaced. At this point, the program covers only motorhome tires.

Use the specifications to find out which Continental tire is a match. You can do this by calling Continental (704-583-8196) or by using the pricing tool found below. This tool is extremely helpful and will give you pricing for every single tire that matches your search.

Find a local Continental dealer who can do the install, and set up an appointment. Also let the dealer know which tire you are looking for. That way, you can be sure the dealer will have the tires in stock and ready for your appointment.

Step 1. Go to: www.continental-truck.com/truck.

Step 2. Click on the Dealer Locator in the top right corner, Enter your State, City Zip and find the closest Continental Approved Dealer.

Please Note: Travel Stops or over-the-road service providers are unable to participate in this program and will not be able to honor the specified pricing with FMCA.

Step 3. When you go to the dealer, show them your FMCA membership card. You will pay the dealer directly for the tires and installation

NOTE: Keep in mind that Continental quotes only the tire price and federal taxes. Any mounting, balancing, or other services the installer offers will be at an additional charge. We cannot quote those fees up front.

**** All products are subject to availability, No substitutions ****
