

Enhancing The Motorhome Lifestyle!

Eastern Area Motorhome Association

WELCOME TO FMCA AND THE EASTERN AREA

Congratulations, you have joined the only organization that is exclusive to motorhomes. I certainly hope that you will take advantage of all the benefits offered by FMCA; FMCAssist, the medical emergency evacuation program, *Family Motor Coaching* magazine, the Michelin Advantage® program, and many more. For a complete listing visit our website or read about these in your magazine.

Meeting fellow FMCA members is the greatest benefit to belonging. When you see that goose egg on a coach, you have an instant friend. Do not hesitate to introduce yourself. The rest will be history.

Geographically, you live in the Eastern Area of FMCA. The organization is divided into ten regions all based on members' address. In each state there are chapters. A chapter is made up of fifteen or more motorhomes. Chapters meet throughout the year. The time, frequency, and location of chapters vary. You do not have to belong to a chapter to take advantage of being a FMCA member, chapter membership offers the opportunity of getting to know and have great times with other members in your area.

The chapter search include details about the chapters and the contact person. Give the contact a call and plan a visit with one or more chapters. Each chapter is unique in its own way. You may want to visit several, before you make a decision on which one you wish to join. And you are not limited to just one chapter. For times and locations of chapter meetings, review the chapter calendar in each issue of *Family Motor Coaching* magazine.

Another great benefit to being a member of FMCA is the opportunity to attend an FMCA International Convention or one or more of the regional rallies. There are two International Conventions each year. One in the summer and a winter rally. Details regarding these rallies are published in *Family Motor Coaching* magazine or on line. Attending one of these rallies, allows you to attend seminars related to motor homes, indoor vendors selling products related to motor homing, entertainment, a look at the latest new coaches on the market, and most of all FUN and FELLOWSHIP.

Again, congratulations on joining FMCA. Give me a call for more information.

Friends and Family – That's what FMCA is.
