

Great Lakes Area MotorCoach Association

INDIANA • MICHIGAN • OHIO • ONTARIO

Dear New FMCA Member:

Congratulations and thank you for becoming a new member of Family Motor Coach Association (FMCA) and welcome to the Great Lakes Area.

Currently FMCA membership is divided into ten (10) areas and comprised of approximately 400 chapters. Within our Great Lakes Area, we currently have 21 chapters. Every chapter was formed by members just like you. Chapters are unique because of member interests, location and size. Most of our area chapters start their "camping season" as early as April and many still hold chapter rallies as late as November. Each chapter usually offers their membership a rally during these months.

During the chapter rally, there will be different activities planned, food arrangements set, and definitely visiting and sharing of knowledge concerning our motorhomes and traveling lifestyle. Luckily, the Great Lakes Area offers so many things to see and do that the options are endless. With the chapters' guidance, you will enjoy places and festivals you may have missed on your own.

A list of our GLAMA chapters is below. A chapter's representative may contact you because your name is included as a new member of FMCA. If you have any concerns or questions, this representative will gladly help you.

Along with a list of international conventions and area rallies, every edition of the *Family Motor Coaching* magazine contains upcoming chapter rallies, the dates and location of the rally and contact information. Another great source is FMCA.com as that website is continually updated. Check your travel plans and visit a chapter rally when possible. There is a chapter waiting for you. Remember, we are family and have the same desire to see this wonderful country while enjoying our own home on wheels.

Please feel free to contact me at 513-806-6184 or e-mail me at lnaylor@fmca.com.

Safe traveling, have fun and see you down the road.

Sincerely,

A handwritten signature in black ink, appearing to read 'L. Naylor'.
