

March 30, 2023

To the Governing Board:

After the February 15, 2023, deadline for candidates' submissions to the Nominating Committee, and after the interviews of the candidates and the Candidates' Forum at the winter convention in Perry, Georgia, two members submitted petitions signed by more than 50 voting members to run for the following offices:

Curtis Coleman, F447048, has been nominated for National President

Ken Carpenter, F312233, has been nominated for National Treasurer

These petitions have met the requirements, and members are hereby nominated.

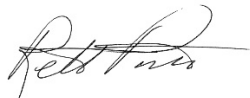

In accordance with Policy and Procedure #2005, Executive Board Nominations and Elections, these are "at-large nominations." The at-large nominations will be included with the slate recommended by the Nominating Committee and published on the ballot. These two additional candidates will have their biographies printed in the June issue of Family RVing.

This means that every position for FMCA national officers will be contested at the Governing Board meeting in Gillette, Wyoming. The candidates by petition will be included at the Candidates' Forum in Gillette.

As voting members of the Governing Board, you will need to be at this meeting or make sure your chapter has a voting representative in attendance. Information regarding temporary delegates is included with this mailing.

I look forward to seeing you in Gillette, Wyoming.

Sincerely,

Rett Porter  
National President
