

GET HAIRY IN PERRY

Gentlemen,

Leave the peach fuzz at home and bring out your best facial hair for FMCA's inaugural **Whisker Games**. Participants will have the opportunity to compete in one of three categories: Beard, Goatee, or Mustache. A distinguished panel of judges will review contestants' growth and grooming and select a champion in each class. From the three class winners, the "Peachy In Perry" Grand Whisker Champion will be crowned by audience approval.

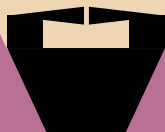

FMCA Beard Expert
Aaron White

To participate, sign up at the Information Center before noon on Thursday, March 14, then report to the FMCA Town Center stage by 1:45 pm. At that time competitors will be separated into their classes, given the chance to remove the remnants of the lunch from their bristles, and receive last-minute instructions before the competition commences.

The whiskerless can join the fun as well. Cheer for your favorite furry-faced competitor, and then help decide who will become FMCA's first Mr. Whiskers.
