

# FMCA 101<sup>st</sup> INTERNATIONAL CONVENTION AND RV EXPO

## FREQUENTLY ASKED QUESTIONS

### 1. What is a FMCA International Convention and RV Expo?

It's four days of everything RVing! Imagine one place where you can meet new friends, renew acquaintances, look through new RVs, shop for items to make your traveling experience more enjoyable, learn more about your RV and the travel lifestyle, and be entertained.

### 2. Why should I attend?

FMCA conventions draw folks for a variety of reasons.

Some come for the **fellowship**. Friends who travel together or who plan opportunities to meet down the road find FMCA International Conventions a great place to gather. FMCA members welcome the opportunity to include non-member guests to experience the fun of being part of the FMCA family.

Others are interested in finding that next **RV to purchase**. Many major manufacturers and dealers bring their best and newest products to display. It's the best place to compare brands and shop for that next home on wheels.

Conventions also provide attendees with an opportunity to have **service performed on their RV**. Knowledgeable technicians discuss problems with owners at the conveniently located FMCA Service Center or at their display. Repairs are arranged on-site or at an off-site repair facility.

**Supplier and component exhibits** offer one-stop shopping. Everything a RV owner needs and much more can be found in the exhibit buildings.

Learning is a major component of any convention, and **FMCA's seminar program** is second to none. Featuring technical seminars, educational seminars, make-and-take craft classes, and fun, fitness, and health sessions. If you're serious about discovering more about the RV lifestyle, this is the place to be.

FMCA showcases **entertainment** appropriate for all ages, both throughout the day and in the evening.

Getting to or leaving the convention site provides opportunities to **explore** parts of the country you may not otherwise see.

FMCA conventions are **unique**. There's nowhere else that you can find so much "RVing" going on in one place. Come experience it for yourself!

### 3. What is the location of FMCA's 101<sup>st</sup> International Convention?
