

THE COUNTDOWN IS ON!

We're just weeks away from the start of FMCA's 108th International Convention & RV Expo at Pima County Fairgrounds in Tucson, Arizona. I hope you are as excited as we are to get the show started.

During your registration for the event, you indicated that you wished to have your confirmation packet held at Will Call. The confirmation packet includes several items you should have before you arrive in Tucson. We want to provide you with all the pre-convention information that other attendees have received through the mail to ensure you are up to speed with everything planned for the event.

Attached is the Confirmation Guide. The guide includes much of the nuts-and-bolts information needed to get you to Tucson and help to get you settled. **Please follow the directions/GPS in the Confirmation Guide when arriving in Tucson.** Do not totally rely on a map to get you to the Welcome Area. We worked closely with the local law enforcement agencies to get you off the highway and keep traffic moving smoothly onto the grounds.

A second attachment is a Will Call parking card that we ask you to print out and tape to the lower right-hand section of the driver-side windshield. This will help parkers identify the RVs that need to be directed to Will Call before being staged to park, making the parking procedure more efficient.
